Presidents Report

Doug, VK3VBA

Well the most important Meeting for the year is to be held on Friday the 31st of July, yes I am referring to our Annual General Meeting.

I am hoping for a good attendance, all positions become vacant and I would love too to see then all filled, fresh blood is good blood so if you have never held any position with BARG maybe now is the time.

The year gone by has been a learning curve for me I did some things a little different to other years some still the same, my big wish is did I do it to the satisfaction of all members I hope so.

Our trips to other clubs hamventions were good fun times and at the same time always on the lookout for ideas for our own event we even achieved in getting C A into a McDonalds store.

The quality of our guest speakers were in my opinion excellent offering a good range of topics.

In the thanks department where do I start, Doug FDRE in the position of secretary fresh to the position but he stood up to the challenge and come through with honours.

Peter FPOL as treasurer Peter said he loves figures (not human) and he proved that he is a very professional person in everything he takes on, our books have never been in better hands it is very encouraging to listen to Peter when he gives his report to members on our finances, he has made some changes and I believe they are all good and long and short term BARG will benefit many thanks Peter.

Brian KQB and Ian AXH many thanks for your time with our construction nights a bit mind bogling for some members but we all learnt that little bit more about our hobby.

Roger ADE many thanks for the time spent with administration of our repeaters thanks also to Nik NJP for his assistance at Ben Nevis.

To all our life members these members have and are still the backbone of our group whilst on the subject of life members we appointed a new life member during the year Harry KGL. Harry of course is our Editor of the News Letter he does a lot of work in the background and its certainly of a very high standard, many thanks Harry.

Thanks could go on forever as we have a good crew and when things to be done are required it seems to happen every time and for that I am very grateful.

After our AGM the next big event is our H/Vention and I am confident that full support from our members as in other years will happen

Whilst typing this I have received a phone call from our local paper they have requested an interview with me to participate in a editorial re amateur radio I am a bit nervous about it but if it helps send the message out to the public what we are all about it will be all worth it.

To our grey nomads in sunny Queensland we hope you don't get sun burnt I can assure you that the rest of the members holding the fort will not get burnt in sunny Ballarat.

That's all from me so travel safely take care see you at the AGM

The Secretary's Page

Minutes of the BARG General Meeting – 26th JUNE 2009

Meeting opened at 1935 by President Doug VK3VBA.

Apologies

VK3BVI, VK3CAZ, VK3HHK, VK3FSTU, VK3FHUT, VK3GND, VK3VLY, VK3FIVE, VK3VLY.

Attendance

Approximately 21 Members.

Visitors

Bill Wells Wife and daughter – Norma and Dawn, Tim Stevens

Minutes of the Previous

(May) general meeting had been distributed previously, they were passed with a minor amendment (FN arms company not FM) as being correct.

Moved Craig CMC / Kevin WN – carried.

Business arising from the minutes

There was no business arising from the minutes.

Secretary's Report

Correspondence In: No correspondence per se. Circuit boards for CTSS project had been received.

Correspondence Out: Follow up letter to ARV regarding the Mt William repeater, Letter to VK3YNB regarding his overuse of the Mt Buninyong repeater.

Moved Brian KQB / Bill PAL – Carried.

Other Reports

Social – There were variable reports from dining night at the Globe Hotel, next meal to be at the RSL club.

Repeaters – Roger ADE reported all repeaters were working OK.

Construction – Brian KQB – **Next** project will be building of tone access boards to allow members using sets without this facility to access repeaters.

Amenities – Working Bee soon, date to be announced.

Education – Craig CMC, there are one examination for advanced, and three for foundation proposed for July, Gordon FGC will assist Craig.

General Business

The raffle for the night (nice looking multitool) raised \$20.10, and was won by Ian CIS

Damascus college activities days had been attended, reports from the students who participated were to be made available to Gordon for review.

John Kennedy AIG has been able to acquire at no cost six large Trestles from St Lukes hall.

A few brave souls had braved the elements for John Moyle field day.

Our life members – VK3DCS, VK3BNC, VK3FGC, VK3LDA, VK3AXH, VK3AWN and our newest VK3KGL were presented with their new and distinctive membership badges by president Doug.

The venue for the Hamvention is being extended, this may enable us more room to set up trestles, we have probably now sourced sufficient trestles for the day from several different sources, at quite low cost.

Craig CMC suggested that an idea for a future excursion might be to the Signal corps and Pay corps museums at Watsonia, he has visited them both, and found them to be very interesting.

It appeared that there would be insufficient numbers to warrant taking a bus to Cranbourne for the GGREC Hamfest, but this might change.

There being no further business, meeting closed at 2030. Next meeting 31st July at 1930

Following the meeting Val D'Angri gave a most interesting talk on the Eureka flag. As a young textiles teacher Val was responsible for the repair and preservation work on the original flag, and has since produced several replicas, Val's great, great, grandmother Anastasia was involved in the sewing of the original flag in 1854.

The interest in this talk, and the many questions asked of Val by the members present, again demonstrated what a diverse group that we are, and the range of things away from radio that interest us. Unfortunately I had to leave before Val had finished speaking, but I am certain that there would have been a warm round of applause, and the traditional souvenir BARG mug at the conclusion.

***Disclaimer:** While I have endeavoured to make these minutes an accurate record of the meeting, I may not necessarily have succeeded. If I have upset anyone by error or omission I apologise.*
