#### CALIFORNIA HEARD

BALLARAT, Thursday. — Mr Warne Wilson, one of the members of the Ballarat Radio Club, last night listened in to a programme of dance music broadcasted at K.G.O., California, and plainly heard an operator's voice announce—"Central Roof Garden Orchestra." Mr Wilson erected a set of his own construction at the home of Mr George Kennedy, the Commonwealth Meteorologist, at Ballarat, whose son has an aerial. Several members of Mr Kennedy's family also listened in to California.
